

# 10 Questions To Ask in an Interview

If you have secured an interview with a potential hiring manager, you will almost undoubtedly have the opportunity to ask some questions at the end of the interview. **It's imperative you come to this point prepared!**

Not only will these questions help you appear professional, but it will also show an interest in the company that you are asking to join.

◆————◆

These questions will send a message to your employer, as well as help you determine if this company is right for you.  
**Don't let this opportunity slip past.**

# 10 Questions To Ask in an Interview

---

- Can you please tell me a little about the expectations of me in this role?
- Is there a performance review process in place to evaluate these expectations? How often are these reviews conducted?
- What are your most immediate goals for me in this role? What should I focus on to integrate most smoothly.
- Can you tell me about the team I'll be working with?
- Can you tell me about the management hierarchy?
- Why did the last person to fill this role leave?
- Is there room for advancement beyond the position I'm applying for?
- Is there a tag line for this company's values?
- Plans for company growth?
- What do you like most about this place?

**The Interview Is Not Over...**

**This is your last opportunity to demonstrate  
that you are the right person for this job!**
